4. Course general Description This is an English for Specific purposes course for Management professions students. It						

This is an English for Specific purposes course for **Management** professions students. It targets the development of the learners' English language skills in contextualized learning materials. Learners will have the opportunity to develop the four language skills and acquire the terminology, jargon and language style related to their profession. The course starts from **Beginning of A2** level of the CEFR (Common European Framework Reference). By the end of the course, learners are expected to achieve the **End of A2** level of the CEFR.

- 5. Pre-requirements for this course (if any): ENG26116
- 6. Co- requirements for this course (if any): NA
- 7. Course Main Objective(s)

By the end of the course, learners will be able to:

- 1. Realize the general nature of the English language and its uses in contexts related to their profession.
- 2. Demonstrate the basic skills of language (reading, writing, speaking, and listening) in contexts related to their profession.
- 3. Use vocabulary in meaningful contexts related to their profession
- 4. Use sentences and frequently used expressions, in written and spoken forms in contexts related to their profession
- 5. Communicate in simple and routine tasks requiring a simple and direct exchange of information on familiar and routine matters in contexts related to their profession.
- 6. Describe in simple and correct forms aspects of the learner's immediate environment and matters in areas of immediate need in contexts related to their profession.

1. Teaching mode (mark all that apply)
